About

McCormack has a decades-long history of providing quality roofing, construction and energy-related contracting services throughout Southern California.

Established in 1992, McCormack has successfully completed over 10,000 roofing installations and achieved one of the highest third-party-verified customer satisfaction ratings for a contracting company of its size. Our mission is not to be the biggest, but the most respected service-oriented home improvement company in our region.

Services & PUP Program Pricing

Solar Pricing	\$2.45 - \$2.95 \$/W
Battery Pricing	\$852 - \$2,200 per kWh
Brands Offered	Tesla, Enphase, SigEnergy, Hyundai, REC, Silfab and more
