About

Founded in 2013 by industry veterans determined to transform renewable energy, Simply Solar makes clean power reliable, accessible, and hassle-free. Driven by a vision rooted in integrity and accountability, the team handles every phase, from initial sales and seamless installations to long-term service. By maintaining full in-house oversight, Simply Solar delivers a transparent customer experience. Today, their commitment to quality and service has successfully powered over 1,000 local homes and small businesses across the region.
